## *Primary Services*

### **FOR ASSISTED LIVING AND ELDER CARE**

**The Comforts of Home Program** at WEINBERG VILLAGE offers a warm and comfortable living environment with onsite amenities that foster a community atmosphere. These include a beauty salon, quiet areas for contemplation, a leisure lounge, elegant dining rooms, hobby/craft shop, and fitness room. In addition to room and board, the following services are included:

- **Three meals daily**
- **Scheduled transportation for shopping**
- **24-hour emergency apartment pull-cord**
- **Group outings**
- **Scheduled weekly laundry and housekeeping**
- **Social activities**
- **Entertainment**
- **Cable television**

**The Health & Wellness Program** at WEINBERG VILLAGE is coordinated by the Director of Nursing, who monitors general health status and provides guidance with residents' individualized exercise and nutritional needs, as well as his or her total well-being. Services provided are as follows:

- **Personal assistance with the resident's daily living activities, such as, bathing, dressing, and grooming**
- **Coordination of rehabilitation services**
- **Blood pressure and weight monitoring**
- **Assistance with ambulating**
- **Nutrition counseling by registered dietician**
- **Daily bed making**
- **Round-the-clock nursing staff**
- **Nightly room checks and bedtime care**
- **Coordination of physician appointments**
- **Coordination of laboratory testing**

WEINBERG VILLAGE provides rehabilitation therapy (physical, occupational, and speech) in its onsite clinic for residents, working independently with their physician of choice. This program helps to restore strength, endurance, and mobility to improve overall physical function, allowing residents to attain maximum independence. (Therapy services are separately billed to Medicare and other insurance plans.)
